

ADAMS COUNTY STUDENT COMMENTS 2004-05

The presenters did a great job. They were very articulate, the activities and demonstrations were grade level appropriate and the students enjoyed the presentations. *Teacher, West Union HS*

Good class involvement (and) participation. Good presentation of materials. (They) covered all areas adequately. *Teacher, West Union HS*

I learned a lot. Thanks for coming. You are nice people. I enjoyed it. I will remain abstinent until marriage. Thank you. *8th Grade Male*

I like this program because it makes you feel good about yourself and you can express yourself. *8th Grade Male*

This program shows hands on what can happen which makes the program a little more exciting than setting around talking about facts. *8th Grade Male*

I liked this program. It helped make me and probably some others realize it's best to wait to have sex until marriage. *8th Grade Female*

I really enjoyed this program and I think it will open the eyes of many teenagers!! *10th Grade Female*

You guys were awesome!! *9th Grade Female*

No sex until marriage! *9th Grade Male*

It made me realize how easy it is to get an STD. *8th Grade Female*

This class was a good help and I liked how you talked about the symptoms of STD's. *8th Grade Female*

This class has helped me realize that saving sex until marriage is very important. *8th Grade Male*
