

MARION COUNTY STUDENT COMMENTS 2004-05

“Wonderful! Really liked the information presented. It was done in a fun and interesting way. (The presenter) related very well with my students. This is a great program.”
Teacher, Elgin Jr HS

“Great power point. Great activities. Well done! Students were active participants who seemed to enjoy this program. (I would recommend this program to) fellow health teachers.”
Teacher, U S Grant MS

“(Your presenter) does a wonderful job teaching the message of abstinence. She allows students to ask questions and makes the discussion fun. The materials are very age appropriate at each grade level. (I would recommend this program to) anyone who works with young people!! We need to let kids know that sexual intercourse does not have to be an option when being in a relationship.
Teacher, Ridgedale Jr/Sr HS

Excellent. Visuals and hands on demonstrations (are) very good.
