

MEIGS COUNTY STUDENT COMMENTS 2004-05

“(Material and guest teacher were) excellent. Students were kept interested and speaker had their attention and spoke on their level so they could understand (the) material.”
Teacher, Eastern ES

“Did a great job with a tough audience. Great activities to get the point across. Would highly recommend.”
Teacher, Southern HS

“All of this information was fantastic. All of the activities helped make the information more real to them (students). I would recommend this program to all FCS classes and health classes.”
Teacher, Southern HS

“The presenters have a natural, trustworthy way of presenting the information. The students enjoy and remember the teaching sessions for a long time. Thank you!”
Teacher, Meigs HS

“Very well presented; students with low levels of reading and comprehension were able to understand. I enjoyed the wide range of the program. Not only the education of STDs but what a healthy relationship should be.”
Teacher, Meigs HS

“Material was factual; demonstrations were interesting and meaningful. Sensitive topics were handled very honestly and professionally.”
Teacher, Meigs HS

“Very tastefully presented. Students seemed at ease with presenters.”
Teacher, Southern ES

I think this course/class has helped me get my life back together. I hope you guys/girls keep going and talking to teens about sex. (It has helped me.) thanks!
10th grade female

They all have done a great job. I have learned a lot and also changed my outlook on sex before marriage.
10th grade female

This class was awesome!
10th grade male

I am kind of glad she was here. Now maybe people in my class will not drop out of school because of pregnancy.
7th grade male

I had already pledged to myself that I was going to stay a virgin until my wedding night but you made me realize all the consequences if I would break my pledge. (which I am not)!

8th grade female

I thought having sex was no big deal but I realize there are many horrible outcomes.
8th grade male

For me it's hard to talk about this kind of stuff. This class helped me with the info I need. Thanks.
7th grade female

You guys have a great program and changed my mind about everything.
7th grade female

You did a great job and I am saving sex for marriage.
7th grade male

It made me think about abstinence. How important it is to wait until marriage.
8th grade male

Save sex for marriage, make the right choices, build self respect.
6th grade male

I have learned many things and now plan to stay a virgin.
7th grade female

This program was great. I really appreciate people taking time out of their day to try to make a difference! It's definitely had a good affect on me! Thanks!
8th grade female

I learned that a baby could change your life, you might hurt someone who loves you, we learned to make the right choices.
