

## RICHLAND COUNTY STUDENT COMMENTS 2004-05

“I thought the material was excellent and the guest teacher was excellent as well. I like that they share the negatives about having sex before marriage and some things they could lose by doing that before it is time.

My mom always told me to stay a virgin until I got married. And that's what I'm going to do. That talk made sure I was going to stay a virgin.

I'm not a virgin. I already lost my virginity but if I knew then what I know now I would have waited longer.

I thought that the assembly was a very rewarding experience. It made me and a lot of other people think about what they do or what to do in relationships. I learned a lot from this assembly and I definitely will save sex until marriage.
