

SANDUSKY COUNTY STUDENT COMMENTS 2004-05

“Excellent job! (She) handled the classroom of 26 students very effectively. Was not afraid to share with students just how it was.”
Teacher, St Joseph ES

“Very appropriate for grade school. Presenter good with age group. This program reinforces what homes, schools and churches ‘preach’.” (I would recommend this program to) all schools.
Teacher, St Joseph ES

She taught me A LOT of new things I didn’t know. I really like this program.

It was a fun class.
8th grade female

I thought it was very educational.
8th grade male

Good program.
8th grade male

I have learned a lot about what some of the STDs are and what they do.
8th grade male

I thought the program is a good way to tell teens about the consequences of having sex outside of marriage.
8th grade female

It was a good program and I learned things I never knew before.
8th grade female

Nice program.
8th grade male

The teacher was awesome!

I really like that you came to our class to do ATM! You made it really fun. I will save sex for marriage.
7th grade female

I am happy with all I have learned in ATM. I think it is a great program and can help a lot of people. Keep it up.
7th grade male

I thought ATM was great. I was nervous at first, but it was fun and she was really nice.
6th grade female

This program is good and taught me a lot. Thank you!
