

## WYANDOT COUNTY STUDENT COMMENTS 2004-05

“Good information. Age appropriate. Helps students make wise choices”

*Teacher, Upper Sandusky HS*

This class proved to me how real and traumatic it is if you get an STD.

I've learned a lot from your presentation and even though I had already planned to stay a virgin before you came, I still learned a lot and support your group. Keep up the good work!

*9<sup>th</sup> grade female*

The information provided was very well explained and has shown me that for the best interests of myself I will wait until I'm married to have sex.

*9<sup>th</sup> grade female*

I learned a lot from this class and I thank you for everything you've done for our class.

*9<sup>th</sup> grade male*

They did a good job and I realized the dangers of sex before marriage.

*10<sup>th</sup> grade male*

This class was interesting and informing.

*10<sup>th</sup> grade male*

I believe that everything that was said is true and I plan on going with what was said.
